11-8-65

Ding:

This is the proposal (Uncompahgre Peak, Colo.) that I discussed with you on the phone today.

In view of the vagueness of the 6th Report decision perhaps Cultice, of F.S., may iron out something on this and we can get by without putting it on the Docket list.

Bud

This "SPECIAL" is just to alert you that it's something pending a F.S. reply.
