Memorandum

To: Pacific Region Engineer (C)

From: Chief Topographic Engineer (RT C)

Subject: BGN decision for Coast Ranges

Your memorandum of March 10, together with evidence supporting the use of Coast Range on the Oregon State map, has been forwarded to the Domestic Names Committee Staff Unit for processing and presentation to the Board for consideration.

A special effort will be made by the Staff Unit to obtain an early opinion from the Oregon Board so that the case may be expedited.

You will be informed of the Board's finding.

William A. Radlinski

Asst. Chief Topographic Engineer
